

Creative Kids Academy Parent Talent Survey

We would like to encourage you to participate in your child's early childhood education years. Every individual has different talents, skills, customs, hobbies, or careers that others can gain insight to. We would like you to share these gifts with your children and ours.

Do you have something that you might be interested in sharing with the children and staff of Creative Kids Academy? If there is something that you would be interested in sharing or teaching us, please let your child's teacher know and then we can schedule a time for you to come into the class.
